OBJECTIVE

Dynamic computer science professional with a passion for cutting-edge programming. Quick learner, team player, and adept at adapting to new technologies. Seeking a challenging position to apply coding proficiency and contribute to innovative projects.

EDUCATION

UET Lahore
BS in Computer Science
CGPA: 3.37 / 4
2020 – 2024

WORK EXPERIENCE

TIERS LIMITED
Web Development Intern | Lahore | June 2023 - Augest 2023
- Interned at Tiers Limited, mastering **MERN** stack, and excelling in full-stack development for web projects.
- Developed a full-fledged e-commerce website, **Trendsetters Emporium**, with the frontend in React.js and the backend in Node.js, integrated with a MongoDB database *click here*

UET Lahore
Computer Vision Intern | Lahore | August 2023 - September 2023
- Completed a computer vision internship at UET Lahore, gaining valuable hands-on experience in machine learning.
- Mainly worked on the IoT-enabled Smart Nursing project, which was my (FYP). *click here*

PROJECTS

Iot Enabled Smart Nursing
Health Care System
- Integrates vital sign detection, patient monitoring, action detection, and activity logging with advanced transformer models.
- *Enhance patient care and optimize healthcare processes for seamless coordination among doctors, patients, nurses, and administrators.* concept vedio

Kaam Kaaj
Freelance platform
- Streamlines service-provider and consumer connection in the gig economy with secure payments and bidding.
- Offers email verification, user ratings, ensuring an efficient freelancing experience. *demo vedio*

AWARDS & HONORS

- Awarded in the Idea Competition at **ITEC 2023**, UET Lahore, for '**IoT Enabled Smart Nursing' project**, showcasing innovative contributions to healthcare technology.
- Awarded the '**Best Fundraiser Certificate**' by **The Happy Faces Society** in recognition of outstanding contributions to fundraising initiatives. *click here*

SKILL

- **Programming Languages**: Python, C#, C++
- **Web Development**: HTML, CSS, JavaScript, Bootstrap,Jquery
- **Databases**:MySQL,MongoDB, PostgreSQL
- **Tools**: Git, Visual Studio Code, Jupyter Notebook, Visual Studio, PyCharn
- **Stacks**: MEAN and MERN

CERTIFICATIONS

- Supervised Machine Learning: Regression and Classification. ↗
- Advanced Learning Algorithms.↗
- JavaScript Basics University of California, Davis. ↗
- Neural Network and Deep Learning.↗
- Linear Algebra for Deep Learning and DataScience.↗
- JavaScript for Beginners Specialization ↗

LANGUAGES

Fluent in English, Urdu and conversational in Punjabi

ACADEMIC ROLES

Teaching Assisstant | UET Lahore | November 2021 - February 2022
- Teaching Assisstant for **Programming Fundamentals** Lab, UET Lahore, 2021 session. *click here*

Teaching Assisstant | UET Lahore | March 2022 - June 2022
- Teaching Assisstant for **Object Oriented Programming** Lab, UET Lahore, 2021 session. *click here*

INTERPERSONAL SKILLS

- Adaptable Learner
- Clear Communicator
- Proactive Problem Solver
- Time Management Expert
